Carrier Objective

Motivated and detail-oriented mathematics undergraduate with a strong interest in data science, machine learning, and real-world analytics. Seeking opportunities to apply technical and analytical skills in solving practical problems while continuing to learn and grow in the field. Passionate about transforming data into insights using Python and related tools, and driven by a blend of creativity, curiosity, and structured thinking. Eager to contribute to impactful projects and collaborate with teams in research, internships, or early-career roles that align with innovation and continuous learning.

Technical Skills and Competencies

- Having excellent time management, confidentiality & communication skills.
 - Proficient in **Python**, with working knowledge of **C++**
 - Solid understanding of **data analysis**, **feature engineering**, and **machine learning** using tools like **NumPy**, **pandas**, **matplotlib**, and **scikit-learn**.
 - Strong knowledge of data visualization/dashboard software, e.g. Tableau, R, PowerBI.
 - Strong presentation and documentation skills with **MS Office** (Word, Excel, PowerPoint)
 - Effective communicator with strong **time management**, **team collaboration**, and **problem-solving skills**
 - Experience in **content design**, **student leadership**, and managing projects in academic and club settings
 - Eager to grow in areas like **Agile methodology**, **project management**, and **real-world data-driven solutions**
-

Position of Responsibility / Leadership

Experience :

Publications Secretary |
CUMC (Chittagong
University Math Club)

Publications Secretary | CUMC (Chittagong University Math Club)
Sept 2024 – may 2025

Main Responsibilities:

- Led the design and publishing of academic and event-related materials.
 - Guided the club's content and branding direction across social media.
 - Managed communication between teams and mentored junior members in design.
-

Soft Skills / Additional Skills

- **Problem-Solving:** Able to break down complex problems and approach them with logical, data-driven solutions.
- **Time Management:** Effectively balance academic, club responsibilities, and personal projects.
- **Communication:** Comfortable presenting ideas, collaborating in teams, and sharing knowledge through design and writing.
- **Leadership:** Lead content and creative efforts at CUMC, encouraging teamwork and mentoring junior members.
- **Creativity & Innovation:** Blend analytical thinking with creative pursuits like design, music production, and poetry.
- **Adaptability:** Open to learning new tools, adapting to different challenges, and embracing feedback.
- **Team Collaboration:** Work well in interdisciplinary teams for academic and club projects.
- **Self-Learning:** Proactively explore new topics in data science, machine learning, and software tools.
